

The prompt: Not My Style

7.13

Listen to the way that NPR reports Donald Trump's comments about immigration with this mellifluous sound in their voices the sweet mellifluous sound in their voice but not biased, no not biased

The amazing bodyguard that Barack Obama had throughout his presidency was that any attack on him was considered racist

The blimp of Donald Trump in diapers reminds me of those bunny ears, pink bunny ears that women wore- it is a kind of onanism and I'm not going to explain what that word means. Let's just say it begins with an M and it's a kind of self-pleasuring

My name is Pat Boone and along with my wife Shirley we want to talk to you about all the aches and pains that come with being older

The following program is rated PC for politically correct, it is the Larry Eldridge Show

Statistics say that a larger percentage of the parents who been separated from their children at the boarder are child abusers

I think it is sad when Germany makes a huge trade with Russia. Germany will have 70% of their country controlled by Russia because of its natural gas

7.14

Turns out IHOP is not changing its name it was just a publicity stunt to draw attention to their new Angus beef burger

Welcome to the healthiest two hours on the radio, I'm Snowman I'm not a doctor but I'm a talkologist

People in the back seat become deadly projectiles

The person in the front becomes a crude airbag for the passenger in the back

Reports say people who eat seafood have sex more often and conceive more easily

When God was giving out chins I thought he said chins and I asked for a double

7.15

Even the democrats cannot find much to complain about with this economy

This is a show about the abundance of life and helping you understand how you can get everything you deserve

Call now to get all the investing educational videos you can imagine learn how to earn all the money you need

Coming up they don't have bibles to guide them they don't have a constitution to guide them and this is America? It could happen to you, it could happen to anyone

7.16

98% of the media is anti-Trump and republican and that's why I made a pledge to you that you would never hear anti-Trump rhetoric here

Guys what they have done has gotten in to your head. Because Trump hasn't called him a pin head they're saying he's a traitor

Look at what they have done

Secret Sauce, find out how the founding fathers got it wrong- yes there is indeed too much democracy so order now and find the answers

Trump is dominating the world, way to go, what a meeting. I mean can we ask for more

There is a crisis in the intelligence community there is such bias and I don't say that lightly it is a crisis

The left is so frightening their self-righteousness is out of control

They think they are gods

To go to these meetings without your highest-level advisor show very bad judgment, let's face it he's not an expert in these areas

I'm so sorry it was late at night when I called and my brain must have been affected by the Democrats. I'm sorry about my rant I really thought it was Peter Fonda, I didn't realize

it was Pat Boone. Like I said I'm real sorry I hope you can forgive me I have forgiven myself

7. 17

If people cannot see the amazing things he's done for our country I don't know what to say we have to gather people and go against the Lindsay Graham's because they are not supporting our amazing president

The congress is trying to undercut the president. We know this goes deep so deep

Tell me what he's done? What has he lied about? Seriously what has done? Look in to this libertarian face and tell me what has he done?

I want to cut through all the noise and cut through all the lies

It's all true and its all devastating

7.18

Let's just say open marriage is never a good thing

I have to say I never thought that would be the first call we would take

How did I guess that guilt was one of the factors

A lot of people don't believe it but for \$50 you can feed a kid for a year and him water for life in a place like Guatemala

We have worked it out mathematically and it is precisely correct

It is so little money and we can spend it at Starbucks sometimes without thinking about it

7.19

On the cover of the Times they have Trump and Putin merging in to one, come on no one has been as hard on Putin as Trump

They want it both ways those liberals and who's going to critique him? Yale graduates

I would tell any young person if you have a choice between dating someone who went to Yale or Standard Law School verses someone who went to the University of Illinois Law School choose University of Illinois because those who went to Harvard or Standard think they are gods

If I didn't think the left was so destructive I would feel sorry for them but they just walk around thinking they are beyond reproach

I want you to hear Paul Ryan he's my new hero

The further left you go the more soulless you are

The left hates the truth because someone will be offended

Larry Kudlow made this stupid comment about the president of China and now our stock market is tanking because of the dopey remark the US could lose up to 600,000 jobs this year

7.20

All the rage all this anger that people are feeling is it really true or is it manufactured?

Thank god we have a president with a backbone who does what he says he is going to do

7.21

Talk about how to be consistent with your income

Trump says it is inconceivable a lawyer would tape a client – Trump is weighing in via tweet on the Michael Cohen revelation

7.22

Why would Trump undermine the election? But if you say crazy enough things you'll get on CNN

When I am in the store and I go up to a patron and say I want to tell you about God and the store manager asks me to leave what is that all about? Isn't this a free country?

It is now 3 & 0 against American presidents. He played George W Bush, Obama and now he's playing Trump

Putin is now going to test Trump to see how far he can push him

7.23

Don't criticize here for her gaff go after her for what she thinks. She's a socialist who think everybody should have free education, everyone who has ever been born who will ever be born should have free education.

Give everybody free money free cash \$500 a month to do whatever you want

I almost threw up on Sunday watching all the news show Russia Russia Russia I thought I was going to heave nobody card about Russia

Show me the evidence if there was any evidence it would have been leaked by now and every normal American knows that

Over the weekend you got people criticizing Trump because he wants to protect America from Iran you got a president who wants to have football players respect the flag and not knee and people get mad at that

This young female socialist says women get paid 77cents on the dollar compared to men- that is just not true if it were true every smart CO would fire all the men and just hire women so the company could save money

If Obama had been in Helsinki and said the same thing nobody would have cared he would have been praised

The left complains so much that you just think they are crying wolf and they use fake science to justify their claims

Don't get all self-righteous on me

Most Americans don't pay enough attention and people who don't pay attention shouldn't vote

*The Answer 860*
